small NAICS Codes to be removed within five (5) business days. If these NAICS Codes are not removed within the allotted five (5) business days, CVE may request the U.S. Small Business Administration (SBA) to conduct a formal size determination. In addition, CVE may initiate a referral to OIG, Debarment and Suspension Committee and or pursue cancellation proceedings. All of the aforementioned referrals and procedures could result in Trimble Sustainment Engineering Inc being removed from the VIP Verification Program.
